1 being poor, 5 being excellent

- How do you grade your physical health?
- How do you grade your emotional/mental health?
- How do you rate your overall quality of life?
- How well do you rate your ability to deal with stress?

What else would you like to share about your life?

#### OUR PURPOSE

\* There is an intelligence within each individual, which not only keeps that person alive, but also animates, coordinates, repairs, renews, empowers and heals.

\* The nervous system is the main coordinating system and distribution center for this innate intelligence.

\*The sole purpose of the Chiropractic Adjustment in this office is to bring more ease into the body and empowering a greater communication of each person's self-healing power. We are clear that if your spine and nervous system are free, the Innate Intelligence within you can function optimally, aligning you with your passion and purpose. Healing, recovery, health, performance, function, expression, is an inside job.

\*We do not "fix", "align", "straighten", diagnose, "treat", "correct", nor give add-vice. We serve a kick #@& adjustment head to toe. Period.
